ABOUT

The objective of this learning trip is to learn about the Korean aspiration and take home values such as continuous innovation, self motivation through various cultural exchange activities, experience the life as a student in Korea. Not to forget on having lots of fun, enjoy a country with a different climate and make unforgettable friendships.

LEARN

Korean Cultural Activities which includes Korean Language, Cooking, Taekwondo, Pottery, Cultural Dance, MBC World and etc

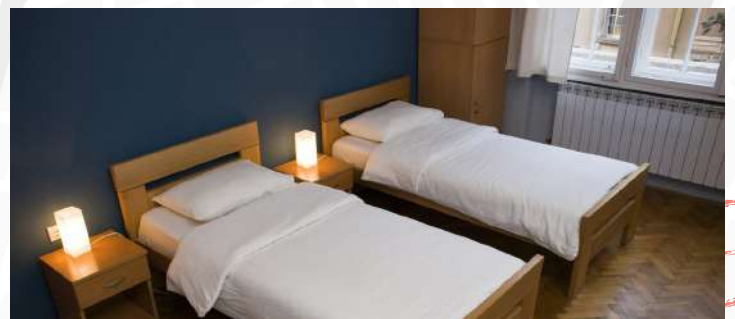

PLAY

Experience the Land of Kimchi through mouth watering local delicacies, and discover Seoul through our local experience guide. Where we will bring you through an unforgettable experience in this bustling city rich with culture and character. As a student participant, you will be pampered with activities such as snow sledding at the famous Everland theme park, learn K-pop dance moves, celebrate Christmas with new friends in Korea and many more.

LIVE

The twin-share accommodation in Dankook University gives you everything you need to be comfortable during the trip.
